(FOR KEY SEE REVERSE)

The 2 Mountain Artillery Regiment (2 Obuziere de Munte) is stationed at Gherla. It has a telephone link with a newly built guard post at an elevation of 600 or 700 meters on a mountain located between Gherla and the village of Nicula, approximately one-half km. from Gherla and one km. from Nicula. The post is housed in a concrete building approximately 30 meters long and 30 meters wide. It is guarded by Rumanian soldiers and is believed to serve as an aircraft identification post.
